#femsxsw5:33 PM Mar 14th from TweetDeck

102. [@allenrockwell](#) SXSW. Panel on the Web and Feminism. [5:30 PM Mar 14th](#) from [TweetDeck](#) in reply to [allenrockwell](#)

103. When a network becomes "bad," is when other people who are not like you start to use it. SM fails when it cannot take multiple audiences. [5:29 PM Mar 14th](#) from [TweetDeck](#)

104. The web: White space. Privileged space. Nobody thinks that the Web is not white. Diversity is one of the most critical factors
[#femsxsw](#) [5:27 PM Mar 14th](#) from [TweetDeck](#)

105. Counter-publics: alternate public. Layers. Counter to the normative. Notions of universal publics. [#femsxsw](#) [5:24 PM Mar 14th](#) from [TweetDeck](#)

106. Being public out of the hope for being out there. Backlash from people who have something to protect. [#femsxsw](#) [5:21 PM Mar 14th](#) from [TweetDeck](#)

107. Dealing with conflict: make it private. Obama: More people want to sign onto something more public. #femsxsw [5:20 PM Mar 14th](#) from [TweetDeck](#)

108. At what point does culture become so transparent, where it doesn't matter? #femsxsw [5:18 PM Mar 14th](#) from [TweetDeck](#)

109. Anonymity: We need anonymous spaces online. Safer? #femsxsw [5:16 PM Mar 14th](#) from [TweetDeck](#)

110. Support for what you do - the moment where you can come home to something safe, where you don't have to translate. #femsxsw [5:16 PM Mar 14th](#) from [TweetDeck](#)

111. @[wefollow](#) #philosopher #technologist #jewish [5:15 PM Mar 14th](#) from [web](#)

112. "The process of being public is the most secure thing."

#femsxsw [5:14 PM Mar 14th](#) from [TweetDeck](#)

113. The act of being yourself makes it safe. #femsxsw [5:13 PM Mar 14th](#)

from [TweetDeck](#)

114. The Web: Be personal - but that doesn't work until it is protected.

We cannot all be ourselves online. #femsxsw [5:12 PM Mar 14th](#) from [TweetDeck](#)

115. Identities can change: They do not have to be permanent Memory

on the web: does it forget? #femsxsw [5:12 PM Mar 14th](#) from [TweetDeck](#)

116. Identities as tags - I like this. Many different tags. "Nobody is ever

one thing." Web 2.0: Begins to understand multiplicity. #femsxsw [5:10 PM Mar 14th](#) from [TweetDeck](#)

117. The Internet can change time. Talk about convergence... "The Unitary Identity" - The Google Search - Want for more identities?

#femsxsw [5:09 PM Mar 14th](#) from [TweetDeck](#)

118. Sharing of understanding: even as basic of language. Online, contexts come colliding into each other - many different dynamics. #femsxsw [5:07 PM Mar 14th](#) from [TweetDeck](#)

119. How many people would want to spend time in protected spaces online. Sharing of contextual norms and rules. General understanding. #femsxsw [5:07 PM Mar 14th](#) from [TweetDeck](#)

120. How are messages going to be received in public? #femsxsw [5:06 PM Mar 14th](#) from [TweetDeck](#)

121. RT @niche: I guess if there is a "safe space" for women online, they can be free to share whatever. #femsxsw [5:05 PM Mar 14th](#) from [TweetDeck](#)

122. @JustinKownacki Yes, but people still only interact within their own plains. They still separate their lives. We'll see... [5:05 PM Mar 14th](#) from [TweetDeck](#) in reply to [JustinKownacki](#)

123. Discussion of public space vs. private space. Unique identifiers.
[#femsxsw5:03 PM Mar 14th](#) from [TweetDeck](#)

124. It is a privilege to live in public. There need to be ways to tune your spaces, so you can have a private spiritual moment. [#femsxsw5:02 PM Mar 14th](#) from [TweetDeck](#)

125. Someone being fired for blogging: Waste of time, lab chiefs being protective - not uncommon. Companies: Manage your Message/Control [#femsxsw5:01 PM Mar 14th](#) from [TweetDeck](#)

126. Personal is Political: only way to overcome is to be public. Have you tried to engage in something personal in a public context?
[#femsxsw5:00 PM Mar 14th](#) from [TweetDeck](#)

127. [@JustinKownacki](#) Perhaps it will strengthen those labels. Just an idea...[4:58 PM Mar 14th](#) from [TweetDeck](#) in reply to [JustinKownacki](#)

128. Class: Social media being easy to access. Social media=comes down to PRIVILEGE. [#femsxsw #sxsw4:57 PM Mar 14th](#) from [TweetDeck](#)

129. [@zachflauaus](#) Mm. I'm not sure. I think that it rings true a lot.
[#femsxsw #sxsw4:56 PM Mar 14th from TweetDeck in reply to zachflauaus](#)

130. Web=Personal: Does it matter that that is something that is feminist?
What is the boundary between public/personal in social media.
[#femsxsw4:55 PM Mar 14th from TweetDeck](#)

131. "Who wants to hang out with your parents while they are gossiping
with their high school mates?" - About Facebook [#femsxsw](#)
[#sxsw4:54 PM Mar 14th from TweetDeck](#)

132. [@zachflauaus](#) be aware, that these are major generalizations.
[#femsxsw #sxsw4:54 PM Mar 14th from TweetDeck in reply to zachflauaus](#)

133. Men's Role cont'd: Looks like the traditional "womans" role.
[#femsxsw #sxsw4:53 PM Mar 14th from TweetDeck](#)

134. Men's role: acknowledgment, very polite, @[stevegarfield](#) @[scoble](#) saying "hi" to everybody - lots of public conversation. #femsxsw #sxsw [4:52 PM Mar 14th](#) from [TweetDeck](#)

135. 3rd wave feminism: tie not just to gender. Race, Sexuality, etc. Gender differences are longstanding in social media. #femsxsw #sxsw [4:52 PM Mar 14th](#) from [TweetDeck](#)

136. Social network sites: women are very deeply involved. Men are determined to collect as many friends as possible. #femsxsw #sxsw [4:51 PM Mar 14th](#) from [TweetDeck](#)

137. Is woman's work just part of the world these days? Nobody seems to define it that way. Extremely male culture: machismo culture. #sxsw [4:48 PM Mar 14th](#) from [TweetDeck](#)

138. MySpace: Catering to girls and learning how to speak to girls. #sxsw #feminism [4:47 PM Mar 14th](#) from [TweetDeck](#)
